

# Trish Thuy Trang, I'll Dream Of You

Sweet, sweet memories, of things that you would say  
Of things that you would do  
Til then I'll dream...

Only you and me, as far as I can see  
The world around us disappears, this moment spent eternity  
Something in your eyes, draws me deep inside  
You are a mystery, and thoughts of you keep haunting me

**\*Chorus\***

Sweet, sweet memories, of things that you would say  
Of things that you would do, til then I'll dream  
Sweet, sweet mysteries, of things that we could be  
Of things that we could do, till then I'll dream of you

Do you think of me, anytime you dream  
Wonder if you'd treat me right  
And how your lips would taste on mine

**\*Chorus\***

You...captured in my mind  
Forever frozen in time

**\*Chorus\* 2x**

Till then I'll dream of you...
