

# Trish Thuy Trang, Like No Other

There's no one that knows me quite as well. Accepting me for who I am. With all my flaws you've always

CHORUS

Cause like no other can, you truly understand. It's the little things that show you care. And like no other

We've had our share of sorrows our laughs. Looking back without you I'd be lost. Always there when

Always there as others drifted further apart.

CHORUS

Cause like no other can, you truly understand. It's the little things that show you care. And like no other
