Trish Thuy Trang, One And One

The sky isn't alway blue
The sun doesn't always shine
It's all right to fall apart sometime
I am not always you
And you are not always mine
It's all right to fall part sometime

CHORUS:

After all's said and done done One and one still is one When we cry, when we laugh I am half you are half

A heart isn't always true And I am not always fine It's all right to fall apart sometime

CHORUS:

Ater all's said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is...

One moon. One star I love the one we are One friend. One love Then runs through our love

CHORUS:

After all's said and done
One and one still is one
When we cry, when we laugh
I am half you are half
Look how far we have come
One and one still is one.
