

Trish Thuy Trang, Only Love Is Real (With Lam N

In the stillness of the night
We are holding each other tight
Your heartbeat is all I hear
Your touch is all I feel

In the silence of the night
I could only feel that it's right
Though times life could be unkind
I know I will be fine

.:Chorus:.
Could this love so truly
We could always be together
Only love is real
Don't you
Don't you, don't you ever hurt me
Hurt this fragile heart of mine
Could this love so strongly
We could always be together
Only love is real
Oh my love
Don't make me shed a tear

Once I had a broken heart
Never thought of having to part
The day you came into my life
I know now love is right

In the stillness of the night
We are holding each other tight
Your heartbeat is all I hear
Your love is all I feel

In the silence of the night
I could only feel that it's right
Though times life could be unkind
I know I will be fine

Could this love so truly
We could always be together
Only love is real
Don't you
Don't you, don't you ever hurt me
Hurt this fragile heart of mine
Could this love so strongly
We could always be together
Only love is real
Oh my love
Don't make me shed a tear

Once I had a broken heart
Never thought of having to part
The day you came into my life
I know now love is right

Could this love so truly
We could always be together
Only love is real
Don't you
Don't you, don't you ever hurt me
Hurt this fragile heart of mine
Could this love so strongly
We could always be together
Only love is real

Oh my love
Don't make me shed a tear

Once I had a broken heart
Never thought of having to part
The day you came into my life
I know now love is right
