

# Trish Thuy Trang, Sway

Don't stray, don't ever go away  
I should be much too smart for this  
You know it gets the better of me  
Sometimes, when you and I collide  
I fall into an ocean of you, pull me out in time  
Don't let me drown, let me down  
I say it's all because of you  
And here I go, losing my control  
I'm practicing your name so I can say it to your face  
It doesn't seem right, to look you in the eye  
Let all the things you mean to me  
Come tumbling out my mouth  
Indeed it's time to tell you why  
I say it's infinitely true

## CHORUS

Say you'll stay, don't come and go  
Like you do  
Sway my way, yeah I need to know  
All about you

And there's no cure, and no way to be sure  
Why everything's turned inside out  
Instilling so much doubt  
It makes me so tired - I feel so uninspired  
My head is battling with my heart  
My logic has been torn apart  
And now it all turns sour  
Come sweeten every afternoon

Chorus x2

It's all because of you  
It's all because of you
