

Trish Thuy Trang, The Year Of The Dragon

Verse 1

Listen closely as the wind is blowing. There is something different in the air.
A cold wind that's changing everything.
Far ahead beyond the new horizon, there are dreams you can't imagine.
It starts with the year of the dragon.

Chorus

This is the moment. The future is bright and clear.
Turning and turning the coming of golden years.

Winds of change a time that's filled with wonder.
Can you feel excitement in the air? A cold wind that's blowing everywhere.
Falling leaves in green and flowers blooming.
Mystic feelings all around here. The season for your new beginnings.

The year of the dragon. The year of the dragon.
