

Trisha Yearwood, American Girl

Phone rings, baby cries
TV, diet, guru, lies
Good morning hunnie
Go to work, make up
try to keep the balance up
Between love and money
She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
She's tryin to make it in her daddy's world
An American girl
An American girl
Slow dance, second chance
mama needs romance
And an live-in maid
Fix the sink, mow the yard,
Really isn't all that hard
If you get paid
She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
She's tryin to make it in her daddy's world
An American girl
An American girl
Well she's got her God
and she's got good wine
Aretha Franklin and Patsy Cline
She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
She's gonna make it in her daddy's world
An American girl
An American girl
She's an American girl
She used to tie her hair up in ribbons and bows
Sign her letters with X's and O's
Got a picture of her mama in heels and pearls
Shes gonna make it in her daddy's world
Shes an american girl yeah
Well she tied her hair up in ribbons and bows
Sign her letters with X's and O's
X's and O's, X's and O's
