

Trisha Yearwood, Baby Don't You Let Go

You got me walkin' a tightrope across a lover's sky.
An' now I'm feelin' the wind blow... I've never been so high.
Promise me the moon, I'm reachin' for the stars.
I need a hand to hold...
Baby, don't you let go now.
Baby, don't you let go now.
Baby, don't you let go.

Fin'ly found me a rainbow that I can hold on to.
A little taste of Heaven... pot of gold is you.
Sittin' up on cloud nine with an Angel's view.
But it's a long way down...
Baby, don't you let go now.
Baby, don't you let go now.
Baby, don't you let go.
Don't let go.

Baby, you make me feel safe enough to fly.
Hold me forever and ever... never say goodbye.

We're gonna plant our dreams, (Ah, ha, ha.)
In the sacred ground.
Gonna watch love grow when the rain comes down. (Down.)
Gonna say a prayer for the strength we need.
Put your hand to the plow,
Baby, don't you let go now.
Baby, don't you let go now.
Baby, don't you let go.
Don't let go.

[Instrumental break]

(Oooh, ooh, ooh.)
(Oooh, ooh, ooh.)

Baby don't you let go. (Baby don't you let go.)
Baby don't you let go. (Baby don't you let go now.)
Baby don't you let go. (Baby don't you let go.)
Baby don't you let go. (Baby don't you let go now.)
Baby don't you let go. (Baby don't you let go.)
Baby don't you let go now. (Baby don't you let go now.)
Baby don't you let go. (Baby don't you let go.)
Baby don't you let go.
