

Trisha Yearwood, One Love

So many times love went south
Down into the valley of the shadow of doubt
My faith was failing, my hope was gone
I wandered in the wilderness all alone
You came to me like a revelation
In your arms I found salvation

One love
Took me to the mountaintop
Showed me a world I'd never seen
One love took me down to the riverside
Opened my heart and washed me clean
Nothin' less than a miracle
Sent from Heaven above
One love

I'm amazed by the wonder of you
The clouds all open, and the light comes through
All my life I had never guessed
That anyone could ever be so blessed
I feel brand new, I've been revived
All I want to do is testify

One love
Took me to the mountaintop
Showed me a world I'd never seen
One love took me down to the riverside
Opened my heart and washed me clean
Nothin' less than a miracle
Sent from Heaven above
One love

One love
Took me to the mountaintop
Showed me a world I'd never seen
One love took me down to the riverside
Opened my heart and washed me clean
Nothin' less than a miracle
Sent from Heaven above
One love
