

# Trisha Yearwood, There Goes My Baby

He was the kind of guy who loved so unselfishly  
And everyone could see what a prize he was  
Everyone but me  
I must be blind  
I must be the kind who don't know what they have  
Till they're all alone and sad

There goes my baby  
Like the sun fallin' out of the clear blue sky  
There goes my baby  
And it's gonna be a cold, hard night  
Now that I finally see  
How I need him to be  
Right here by my side  
There goes my baby  
Bye bye, baby, goodbye

How could I have a love so fine  
And not know what it's worth  
Maybe this empty heart he left behind  
Is all that I deserve  
What kind of fool  
Finds a perfect jewel and can't see how it shines  
Till she's all alone and cryin'

There goes my baby  
Like the sun fallin' out of the clear blue sky  
There goes my baby  
And it's gonna be a cold, hard night  
Now that I finally see  
How I need him to be  
Right here by my side  
There goes my baby  
Bye bye, baby, goodbye

How I wish I could hold him in my arms and say  
This time I'm gonna treat him right  
But it's too late

There goes my baby  
Like the sun fallin' out of the clear blue sky  
There goes my baby  
And it's gonna be a cold, hard night  
Now that I finally see  
How I need him to be  
Right here by my side  
There goes my baby  
Bye bye, baby, goodbye  
Bye bye, baby, goodbye  
Bye bye, baby, goodbye
