

# Tristan Prettyman, California Girl

I'll let you fall in love with me  
Show you how easy it can be  
California girl of your dreams  
Sitting by the sea shore  
Soaking up the summer breeze

Never gonna fall, I'm never gonna fall  
For that old trick again  
Never gonna fall, I'm never gonna fall  
For that old trick again

I can't believe I even came  
Don't even know your name  
Boy you know that ain't my scene  
But you gotta play by the rules  
If you ever gonna win the game

Never gonna fall, I'm never gonna fall  
For that old trick again  
Never gonna fall, I'm never gonna fall  
For that old trick again

Oh yes my words were true  
True to the moment and true to you  
But fear will help you make your move  
Sweet kisses in the summer taste soft like honeydew

Never gonna fall, I'm never gonna fall  
For that old trick again  
Never gonna fall, I'm never gonna fall  
For that old trick again  
Never gonna fall, I'm never gonna fall  
For that old trick again  
Never gonna fall, I'm never gonna fall  
For that old trick again
