

Triumph, Empty Inside

Empty inside
Empty inside
Scared and alone
So far from home
Lonely and tired

(Empty inside)
No place to go
No place to hide
All you got left is
Your will to survive

Empty inside

What have you found?
Won't you give it a try?
Is it someone to love?
Is it something to fill the
Empty inside?

Still got your pride
Better run for your life
You're scared and alone
You run on your own
Shakin' down to the bone
Down to the bone
Down to the bone

(Empty inside)

Still got your pride
Better run for your life
You're scared and alone
You run on your own
Shakin' down to the bone
Down to the bone
Down to the bone

(Empty inside)
Empty inside
(Empty inside)
Empty inside
Empty inside
Empty inside
Empty inside
