

Triumph, Hold On

Music hold the secret,
To know it can make you whole
It's not just a game of notes,
It's the sound inside your soul
The magic of the melody
Runs through you like a stream
The notes they play flow through your head
Like a dream
Like a dream
Like a dream

I sing this song for the common man
For the people in despair
I bring my song into the world
And I sing it everywhere
The simple truth lies waiting here
For everyone to share
So hold on, and I will take you there
Hold on and I will take you there

The daily routine takes your soul,
Lost without a trace
It hold you down and turns you 'round
And puts you in your place
Another day, another dollar
Another pretty face
Another chance to lose yourself
In the endless race

CHORUS

Hold on, hold on to your dreams
Hold on, even though it seems
Everyone around you has their little schemes
Listen to your heart and hold on to your dreams

Can't you feel the magic
Feel it everywhere
Can't you hear the music
There's something in the air
There's a celebration
Deep within a song
Celebrate this feeling,
You know it can't be wrong

CHORUS

Caught up in routine,
You got to break it
Time won't wait for us,
We got to make it
Fate gives you the chance
You've got to take it
Take it

Hold on
