Triumph, Rocky Mountain Way

Spent the last year Rocky mountain way We couldn't get much higher Out to pasture I think it's safe to say A time to open fire

CHORUS:

And we don't need the lady Cryin' 'cause the story's sad Rocky mountain way Is better than the way we had Yeah, yeah

Well, he's tellin' us this and he's tellin' us that Changin' it everyday And says it doesn't matter The bases are loaded and Casey's at bat Changin' it play by play A time to change the batter

CHORUS
