

# Triumph, Somebody's Out There

Is it fate or random chance  
How can I decide  
Are we victims of circumstance  
When destinies collide

All the odds are against you  
But somehow you make it through  
You can rationalize it away  
But it all comes down to you

Half our lives we spend waiting  
For the knock upon the door  
When it comes, will it be the one  
That I've been waiting for

Somebody's out there, somewhere  
Waiting for someone to come their way  
Somebody's out there, somewhere  
I will somehow be somebody's someone  
Some day

Standing in the shadows  
Hiding from the light  
Reach out in the darkness  
And hold on for your life

All the fear of the future  
All the loneliness inside  
When the moment of truth arrives, hey  
You can run but you can't hide

Somebody's out there, somewhere  
Waiting for someone to come their way  
Somebody's out there, somewhere  
I will somehow be somebody's someone  
Some day

I can feel it inside me  
I've been holding on so long  
Something's telling me something's got to give  
'Cause the feeling's way too strong, too strong

Somebody's out there, somewhere  
Waiting for someone to come their way  
Somebody's out there, somewhere  
I will make them mine  
Somebody's out there, somewhere  
Waiting for someone to come their way  
Somebody's out there, somewhere  
I will somehow be somebody's someone  
Some day (somebody's out there somewhere)  
Some day (somebody's out there somewhere)  
Some day (somebody's out there somewhere)  
I will make them mine (somebody's out there somewhere)  
(Somebody's out there somewhere)
