

Trnqvist Rebecka, After You've Gone

(Henry Creamer/Turner Layton)

After you've gone - and left me crying

After you've gone - there's no denying

You'll feel blue - you'll feel sad

You've missed the dearest pal you ever had

There'll come a time - now don't forget it

There'll come a time - when you regret it

Some day you will go lonely

Your heart will ache like mine - and you'll want me only

After you've gone - After you've gone away

Solo

After I've gone - After we break up

After I've gone - You're gonna wake up

You will find - you were blind

To let somebody come and change your mind

After the years - we've been together

The joy and tears - all kinds of weather

Some day blue and down hearted

You long to be with me - right back where we started

After I've gone - After I've gone away

After I've gone away
