Trnqvist Rebecka, After You've Gone

(Henry Creamer/Turner Layton) After you've gone - and left me crying After you've gone - there's no denying You'll feel blue - you'll feel sad You've missed the dearest pal you ever had There'll come a time - now don't forget it There'll come a time - when you regret it Some day you will go lonely Your heart will ache like mine - and you'll want me only After you've gone - After you've gone away Solo After I've gone - After we break up After I've gone - You're gonna wake up You will find - you were blind To let somebody come and change your mind After the years - we've been together The joy and tears - all kinds of weather Some day blue and down hearted You long to be with me - right back where we started After I've gone - After I've gone away After I've gone away
