

# Trnqvist Rebecka, My Shining Hour

(Harold Arlen/Johnny Mercer)

This will be my shining hour  
Calm and happy and bright  
And in my dreams, your face will flower  
Through the darkness of the night  
Like the lights of home, before me  
Or that angel, who's watching o'er me  
This will be my shining hour  
'Til I'm with you again  
This will be my shining hour  
Calm and happy and bright  
And in my dreams, your face will flower  
Through the darkness of the night  
Like the lights of home, before me  
Or that tiny angel, who's watching o'er me  
This will be my shining hour  
'Til I'm with you again  
I say now...  
This will be my shining hour  
'Til I'm with you again
