

Trocadero, Blood Gulch Blues

Roses are Red
And Violets are Blue
One day we'll cruise down Blood Gulch avenue
It's Red vs Red
And Blue vs Blue
It's I against I
And Me against You

Violets are Blue
Roses are Red
Living like this we were already dead

Hop in my car
It don't have any doors
It's built like a cat
It lands on all fours
My cars like a puma
It drives on all fours

Red vs Red
Blue vs Blue
