

# Trouble, Pray For The Dead

The one you love is dead  
feeling so empty inside  
I know it hurts

(Chorus)  
Out from the depths  
I cry to you  
shed all your tears  
for the one, who is dead

We loved you in life  
hate you in death  
how could you leave me here  
all alone

(Chorus)

poor souls wait for the Lord  
paying for sins which have not been paid in life  
pray for the dead - for it is of faith that these poor souls  
can be saved

He's not to blame for his death  
For his death  
one day his fate will be yours  
and we'll pray for you.

2. Fear no evil

In the midst of the darkness  
A man dressed in Black  
He is the one cast down from heaven  
and is alive in him

(Chorus)  
Beware the son of Satan  
born of a jackal  
from the land of the demons  
I believe it's hell

The man cares nothing for you  
he only wants your soul  
you have the right to choose your way  
don't play the fool

(Chorus)

We must stand together  
believe in love  
for Jesus Christ will save  
Sinners of creation
