

Trouble, Trouble

If your lookin for trouble
you came to the right place
if your lookin for trouble
just look right in my face
i was born standin up
and talkin back
my daddy was a green eyed mountain jack

cuz im evil
my middle name is misery
o i said im evil
so dont you mess around with me

I never looked for trouble
but i never ran'
i dont take no kinda mess
from no kind of man
im only made out
of flesh blood and bone
but if you gonna start a rumble
dont you try it alone

cuz im evil
my middle name is misery
well im evil
so dont you mess around with me

im evil evil evil as can be
im evil evil evil as can be
so dont mess around
dont mess around
dont mess around with me
im evil
im evil
evil
evil
so dont mess around
dont mess around with me
im evil
i tell ya im evil
so dont mess around with me
