

Troy Bonnes, Crime

Is it a crime that i don't wanna be a whore
Wear a paper smile while pretending to jerk you off
There a'nt of enough of a dose to get me to youre door
There a'nt enough clout to get the deal you want
You got a stage so why don't you say something
You got stage so why don't you say something
Pretty pink boys
Pretty blue girls
Is it a crime or am i just the one you want you shake the know
To get the boys to show
There a'nt enough of scene to make the thrill
Complete
There a'nt enough young dudes like you and me
You got a stage so why don't you say something
You got a stage so why don't you say something
Pretty pink boys make up the band make me a fan now
Is that a crime - tell me is it a crime.
