

# Troy Cassar-Daley, I Wanna Go Back

We had our days in the sunshine  
And we had a long spell of rain  
I only wish that I'd been stronger  
And maybe the sun would shine again

After every teardrop was a promise  
And I broke them every one  
You know I didn't mean to hurt you  
But either way  
your crying days are done

Now I wanna go back  
To the love we've been missin'  
'Cause every day's  
a deeper shade of blue  
Yeah I wanna go back  
To where our hearts were yesterday  
I just can't take one more  
tomorrow without you

Let's not close the door  
on what we used to be  
Chasing hopes and dreams  
to rainbow's end  
I don't wanna hold you as a memory  
If I can hold you in my arms again

Now I wanna go back  
To the love we've been missin'  
'Cause every day's  
a deeper shade of blue  
Yeah I wanna go back  
To where our hearts were yesterday  
I just can't take one more  
tomorrow without you
