

Troy & Gabriella, Breaking Free

Troy: We're soaring, flying.
There's not a star in heaven
that we can't reach.

Gabriella: If we trying,
so we're breaking free.

Troy: You know the world can see us
in a way is different than who we are.

Gabriella: Creating space between us
'Til we're separate hearts.

T&G: But your faith, it gives me strength,
strength to believe.

Troy: We're breaking free!

Chorus:

We're soaring,

Flying

There's not a star in heaven,
that we can't reach.

If we trying,

Yeah... we're breaking free.

Troy: Can you feel it building
like a wave the ocean just can't control.

Gabriella: Connected by a feeling,
Ohh... in our very souls. (very souls)

Both: Rising til it lifts us up
So everyone can see

Chorus:

We're breaking free!

We're soaring,

Flying

There's not a star in heaven,
that we can't reach.

If we trying,

Yeah... we're breaking free.

Running, climbing.

Get to the place to be
all that we can be.

Now's the time, so we're breaking free.

More than hope,

More than faith.

This is true,

This is fate.

And together we're see
it coming.

More than you,

More than me.

Not I want, but I need.

Both of us breaking free!

chorus:

We're soaring,

Flying

There's not a star in heaven,
that we can't reach.

If we trying,

Yeah... we're breaking free.

Running, climbing.

Get to the place to be
all that we can be.

Now's the time, so we're breaking free.

You know the world can see us
in a way is different than who we are.
