

Troye Sivan, Happy Little Pill

In the crowd, alone
With every second passing
Reminds me I'm not home
Bright lights and city sounds
Are ringing like a drone
Unknown, unknown

Oh, blazed eyes, empty hearts
Buying happy from shopping cards
Nothing but time to kill
Sipping life from bottles
Tight skin, bodyguards
Gucci down the boulevard
Cocaine, dollar bills and...

My happy little pill
Take my away
Dry my eyes
Bring colour to my skies
My sweet little pill
Tame my hunger
But within
Numb my skin

Like a rock, afloat
Sweating conversations
Seeping to my bones
Four walls are not enough
I'll take a dip into
The unknown, unknown

Oh, blazed eyes, empty hearts
Buying happy from shopping cards
Nothing but time to kill
Sipping life from bottles
Tight skin, bodyguards
Gucci down the boulevard
Cocaine, dollar bills and...

My happy little pill
Take my away
Dry my eyes
Bring colour to my skies
My sweet little pill
Tame my hunger
But within
Numb my skin

Oh, blazed eyes, empty hearts
Buying happy from shopping cards
Nothing but time to kill
Sipping life from bottles
Tight skin, bodyguards
Gucci down the boulevard
Cocaine, dollar bills and...

My happy little pill
Take my away
Dry my eyes
Bring colour to my skies
My sweet little pill
Tame my hunger
But within
Numb my skin
