

Troye Sivan, Lucky Strike

i want to know just how to love you
the jewel of California
I want to skip stones on your skin boy
and drown me in your water

and my boy like a queen
unlike one you've ever seen
he knows how to love me better
a hit of dopamine
higher than I've ever been
he knows he to love me better

cause you taste like lucky strikes
you drag, I light boy
tell me all the ways to love you
tell me all the ways to love you
tell me all the ways to love you

I wanna tip toe through your bliss boy
get lost the more I find ya
don't wanna miss a second of this boy
hold tight and love me longer

and my boy like a queen
unlike one you've ever seen
he knows how to love me better
a hit of dopamine
higher than I've ever been
he knows he to love me better

cause you're safe like spring time
short days, long nights, boy
tell me all the ways to love you

cause you taste like lucky strikes
you drag, I light boy
tell me all the ways to love you
tell me all the ways to love you
tell me all the ways to love you

tell me all the ways to love you
tell me all the ways to love you

breath me in exhale slow
take me anywhere you wanna go

breath me in exhale slow
take me anywhere you wanna go

cause you're safe like spring time
short days, long nights, boy
tell me all the ways to love you

cause you taste like lucky strikes
you drag, I light boy
tell me all the ways to love you
tell me all the ways to love you
tell me all the ways to love you

tell me all the ways to love you
tell me all the ways to love you
