

Trucks, It's Just Porn Mum

Friday after dinner
situation is the same over again
Mum she wants to watch the news
but I just want to watch the film at ten
so I get my way again
Halfway through the movie
naked bodies getting groovy on the screen
Mum she changes channels, turns away
she can't believe what I just seen
embarrassed she starts to clean

It's just porn mum
You're running away
You wouldn't believe
what the kids see today

It's just porn mum
And it wont go away
Wherever you turn
you find porn everyday

It's just...
billboards on the way to school
use porn to make their shit look really cool
So cool
Girls I see on MTV
cover the fact their bands all look like fools
But their videos make me drool

It's just porn mum
You're running away
You wouldn't believe
what the kids see today

It's just porn mum
And it wont go away
Wherever you turn
you find porn everyday

It's just porn mum
Just porn mum
It's just...

Mum I know that you're embarrassed
but just face it
we can leave the movie on
Don't think that I am so naive
that I don't have a clue where I came from

It's just porn mum
You're running away
You wouldn't believe
what the kids see today

It's just porn mum
And it wont go away
Wherever you turn
you find porn everyday

It's just porn mum
You're running away
You wouldn't believe
what the kids see today

It's just porn mum
And it wont go away
Wherever you turn
you find porn everyday

It's just porn mum,
just porn mum
Porn mum,
it's just porn mum
it's just porn mum
just porn mum
it's just porn
