

# True Vibe, Forgiven

Once I didn't know about You when I wondered where I'd go  
If I left this world behind, eohh  
When I trembled when I saw the destination of my soul  
And on bended knees I cried

Then my inner eyes were opened then  
I saw my only hope is to  
Believe You were sent to set me free

And I am forgiven yes I know,  
You are risen and opened up the door  
Into heaven, I'm forgiven, ohh

What a Lord You are,  
A Savior full of mercy full of life  
Everlasting King of Kings, eohh  
And what a price You paid  
To save the souls of those that took Your life  
The very ones that You forgave

With Your blood You washed me white as snow  
And I don't worry where I'll go  
No power can separate me from Your love

And I (am forgiven) I'm forgiven  
Yes I know oh yeah (You are risen)  
You are risen (and open up the door)  
Open up the door (into heaven) ohh yeah  
I'm forgiven

Look down, look down, please look down on me Jesus  
I want to thank You and praise Your holy name (praise Your holy name)  
I look up, look up, up into the heaven, (oohhhh)  
And I know that's where I'm goin one day

Cause I am forgiven, yes I know  
You are risen (and open up the door)  
Into heaven (heaven), I'm forgiven, eohh  
ohh.. ohh.. ohh... ooo

Yes I know (I am forgiven) ohh  
(yes I know) I know (I am forgiven)  
(I know) I know I can face tomorrow (I am forgiven) because you live  
(yes I know) I know I can face my sorrows (I am forgiven)  
Because of that love you've give yeah (I know)

Sweet Jesus (I am forgiven) gave His love to me,  
Sweet Jesus (I am forgiven) died and set me free (I know) woah ohh  
(I am forgiven, yes I know) ohh... noh... (I am forgiven)
