

# True Vibe, You Are Holy

"Life can be overbearing  
It can take your breath away  
In the dark I cry to you  
Hear me when I say

My life I give to You  
You are my God  
I will worship You

I will lift my hands to You  
I will offer up my praise  
With my voice I will proclaim  
You are holy  
I will lift my hands to You  
I will offer up my praise  
On my knees I will proclaim  
You are holy

When I don't have the answer  
I will rest in You  
When I can't hear my heartbeat  
I will breathe through You

My life I give to You  
You are my God  
I will worship You

Like a child I come to You  
With my life torn in two  
You have everything I need  
Heal me, fill me with Your love"
