

# Trust Company, Running Away From Me

Say a prayer for me  
Cause I can barely breath  
I'm suffering & I can't take it  
Because of me  
No one will ever see  
This side of me  
If I don't make it  
It's like I can't wake up  
It's like I can't get up  
It's like I can't remember who I used to be  
Am I running from you  
Or am I running from me  
Clear a path for me  
Cause I can barely see  
I'm stumbling & I can't shake it  
It's up to me  
To save myself from me  
My enemy  
But I can't face it  
I'm breaking now  
I'm breaking now  
I'm breaking out  
here I come  
Can't ... Wake ... Up cause I'm no one
