

# TRUSTcompany, Take It All

Looking up from underneath.  
As low as we are.  
Nothing looks the same to me  
Am I deceived?

I stand and watch myself from somewhere else.  
Something I don't want to see...

Take it all. So I'm left with nothing at all.  
Have it all. As I'm learning how to fall.  
As I'm learning how to fall.

Standing up from underneath.  
As low as we are.  
Things aren't what they used to be  
Was I deceived?

I stand and watch myself like someone else.  
Something I don't want to see...

Take it all. So I'm left with nothing at all.  
Have it all. As I'm learning how to fall.  
As I'm learning how to fall.

Why don't you? FALL! FALL!

Take it all. So I'm left with nothing at all.  
Have it all. As I'm learning how to fall.

I can't trust what I see.  
I can't tell if it's me.  
It is changing.  
Take it all.  
Cuz I'm learning how to fall...  
Cuz I'm learning how to fall.
