

TRUSTcompany, Today

(Stay with me, Stay with me, Stay with me)

I can feel you all the time...inside
You are here everyday
Just a whisper away
I can feel you when I breath
There is a place inside me
where a hole used to be
where you stay
(Stay with me, Stay with me, Stay with me)

Without a sound you say:
I am yours
I found myself today
In your arms

(Stay with me, Stay with me, Stay with me)

I need you all the time...inside
It's the strength that I need
It's the light that I can see
I can tell you're always here
There's a place inside me
where a whole used to be
Where you stay

(Stay with me, Stay with me, Stay with me)

Without a sound you say:
I am yours
I found myself today
In your arms

I CAN SEE
I CAN SEE
I CAN...THIS TIME
now I can see...
IT'S RIGHT IN FRONT OF ME

Without a sound you say:
I am yours
I found myself today
In your arms

I CAN SEE
I CAN SEE
I CAN

I found myself today
In your arms

(Stay with me, Stay with me, Stay with me)
(Stay with me, Stay with me, Stay with me)
(Stay with me, Stay with me, Stay with me)
