

# Truth Hurts feat. Rakim, Addictive

[Verse 1: Truth Hurts]

He breaks, me down, he builds, me up  
He fills, my cup, I like, it rough  
We fuss, we brawl, we rise, we fall  
He comes, in late, but it's, ok  
He do, I do, he knows, the rules  
He takes care of home, though he's not alone  
I'm on, his knee, he keeps, me clean  
And gives, me things, he makes, me scream

[Chorus: Truth Hurts]

He's so contagious, returns my pages  
He's got me anxious, he's what I waited for  
He keeps me guessin, spontaneous  
He's so persuasive, and I'm his lady

[Verse 2: Truth Hurts]

Oh! Tonight he's waitin, and I ain't complainin  
I'm entertainin, my number one fan  
My back is achin, from our love makin  
Oh yes I'm takin, ain't no use in fakin  
My ups, my downs, my high and my lows  
From head to toe, he makes me glow  
He hits the spot, he makes me hot  
I'm all that he's got, and he's all that I got

[Chorus: Truth Hurts]

He's so contagious, returns my pages  
He's got me anxious, he's what I waited for  
He keeps me guessin, spontaneous  
He's so persuasive, and I'm his lady

[Verse 3: Rakim]

Thinkin of a masterplan, you know anything you need baby ask your man  
You was there from a half a grand  
Now it's kelos to c notes and how fast your grands  
We ball like we own the world, your only concern is you my only girl  
And when we speakin in tongues  
Breathin hard when I'm squeezin your lungs  
Keep it strong, but I gotta hit the streets when I'm done  
It's joy and pain, when you try to get ahead of the game  
It's fucked up but you never complain  
You just pray I don't get killed when I hit the hood  
Just another hundred mill and I'm a quit for good  
No more drug wars trips to jail and shootouts  
Gettin loot out for lawyers and bail will get you boot out  
Just me and you high off sex I'm twisted  
You OG'd and you OD addicted

[Chorus: Truth Hurts]

He's so contagious, returns my pages  
He's got me anxious, he's what I waited for  
He keeps me guessin, spontaneous  
He's so persuasive, and I'm his lady  
He's so contagious, returns my pages  
He's got me anxious, he's what I waited for  
He keeps me guessin, spontaneous  
He's so persuasive, and I'm his lady
