

Truth Hurts, Grown

When I think about it when I got so much that I just cant complain and if I choose to believe someth new you cant con sev cause the thoughts are confined how you gonna find the nerve to believe th thought you'd be mine he's what I feel inside

I just dont wanna be misunderstood nobody telling me whats wrong or right bad or good cause I'm I wanna feel free to release it if thats the way I'm feeling I wanna believe who I am to be and if I feel disrespected that should be respected thats right above restriction of opinions how ever I whatever

Don't think I'm selfish don't let it be a day when I'm feeling that the world is mine oh I'll make no mistake cause its alright and even if I'm feelin' like I wanna complain that my right and if I choose to lie, cuss, buss, or fight damn right

I just dont wanna be misunderstood nobody telling me whats wrong or right bad or good cause I'm I wanna feel free to release it if thats the way I'm feeling I wanna believe who I am to be and if I feel disrespected that should be respected thats right above restriction of opinions how ever I whatever

I wanna feel free to release it if thats the way I'm feeling I wanna believe who I am to be and if I feel disrespected that should be respected thats right above restriction of opinions how ever I whatever
