

Tryad, All The Same

Dream
In a dream

Sunlight
In the darkness

Sun
In the silence

Whisper
In a [?]

Already
Separated

Already
Liberated

It's all
A dream

It's all
A scene

I wonder
Will I wait

I think
And disappear

I kiss
Your lips
Your still here

Already
Separated

Already
Separated (separated)

Already
Liberated (liberated)

It's all (it's all)
A scene (a scene)

It's all (it's all)
A dream
To dream
