

Tryad, Peace On Earth (Same Place)

i keep an open door
give me one good reason for a war
that keeps raging on
we've all been here before
now we've got to stand up once more
to sing this song

peace on earth
peace on earth
peace on earth

you leaders you seem a bit
out of control
do you see a part of it
do you see the whole

the day is dawning
and look what this age does bring
the world is calling
and you are part of everything

now it's all up to you
i tell you that it's not that hard to do
to get along
we are all waking up
feeling like we've had more than enough
we sing this song

peace on earth
peace on earth
peace on earth
