

Tsunami Bomb, Simple Truth

Even though I'm always gone
Doesn't mean I'm not thinking of you all the time
And when life is getting rough
I imagine us sharing our whole lives.

We could run away
Leave behind anything bigger
Not knowing where we're going to stay
Theres no monday.

You're part of me, it's so easy to see.
The simple truth
When I'm in your arms, I feel safe from harm
And sorrow too
You're part of me, it's so easy to see.
The simple truth
But most of all, nothing couldn't be solved
When I'm with you

That memory of your smile
Pierces through the dark when I go to bed alone.
And when I'm about to fall apart
I remember your open arms
Waiting for me to come home.

Let's create our own world
Made of trust, simply and honest
I'll sing a song you've never ever heard
No one else can hear

You're part of me, it's so easy to see.
The simple truth
When I'm in your arms, I feel safe from harm
And sorrow too
You're part of me, it's so easy to see.
The simple truth
But most of all, nothing couldn't be solved
When I'm with you

But most of all, nothing couldn't be solved
When I'm with you
(Repeat 'til end)
