

# Tub Ring, Negative One

Once Came A Man In This Heliocentric Plan  
Who Found He Was The Center Of The Universe

Soon There Were Three And Whatever The Choice May Be  
Would The Knowledge Uncovered Help More Than It Hurt

Once Came The Earth, That Was Flattened Among Its Birth  
And The Victims Of Edges Were The Ones Who Knew

Negative One, As We Spin Around The Sun  
And You Know That I Did It All For You  
For You, For You, For You

Past Seen As Lies And The Future Was Seen Through Eyes  
That Held On To The Faith Of Everything They Knew

Negative One, As We Revolve Around The Sun  
And You Know That I Did It All For You  
For You, For You, For You, For You  
For You, For You, For You, For You
