

Tub Ring, The Way To Mars

All Dreams And Thoughts
Shine Like Stars
On Our Way To Mars

All Fear And Doubt
Fade Like Fires
On Our Way To Mars

So Until Then
I'll Just Pretend
We're Waiting For Something

'Cause If I Believe
Then I Can Achieve
And Dreams Are Made Of Stars

Fear And Doubt
Fade Like Fires
On Our Way To Mars

All Dreams And Thoughts
Shine Like Stars
On Our Way To Mars
