

# Tubes, What Do You Want From Life

What do you want from life  
To kidnap an heiress and threaten her with a knife  
What do you want from life  
To get cable TV and watch it every night  
There you sit a lump in your chair  
Where do you sleep  
and what do you wear  
when you're sleeping  
What do you want from life  
an Indian guru to show you the inner light  
What do you want from life  
a meaningless love affair  
with a girl that you met tonight  
How can you tell when you're doin' alright  
Does your bank account swell  
While you're dreaming at night  
How do you know when you're really in love  
Do violins play when you're touching the one  
That you're loving  
What do you want from life  
Someone to love and somebody you can trust  
What do you want from life  
to try and be happy  
While you do the nasty things you must  
What do you want from life  
What do you want from life  
What do you want from life  
What do you want from life  
Well you can't have that,  
but if you're an American citizen  
you are entitled to:  
a heated kidney shaped pool,  
a microwave oven (don't watch the food cook,)  
a dynagym, I'll personally demonstrate it in the privacy of your own home,  
a king size titanic unsinkable Molly Brown waterbed with polybendum,  
a foolproof plan  
and an airtight alibi,  
real simulated indian jewelry,  
a Gucci shoetree,  
a years supply of antibiotics,  
a personally autographed picture of Randy Mantooth,  
and Bob Dylan's new unlisted phone number,  
a beautifully restored Third Reich swizzle stick,  
Rosemary's baby!  
a dream date in kneepads with Paul Williams,  
a new Matador,  
a new mastadon,  
a Maverick,  
a Mustang,  
a Montego,  
a Merc Montclair,  
a Mark 4,  
A meteor,  
A Mercedes,  
An MG,  
or a Malibu,  
a Mork Moriarty,  
a Masarati,  
a Mack truck,  
a Mazda,  
a new Monza,  
or a Moped,  
a Winnebago,  
hell, a herd of Winnebagos,

we're givin' 'em away,  
or how about a MacCullough chain saw,  
a Las Vegas wedding,  
a Mexican divorce,  
a solid gold Kama Sutra coffee cup,  
or a baby's arm holding an apple.
