

Tunng, Engine Room

Stuck in a holiday
Far into the river
Sick of the flower rhymes
Go now and for our hands
A tax haven for our friends
Go sit in the corner
Hide in the engine room
There to keep us warmer

The tickets worth expands
Photography forbidden
Rugged up safe and sound
Your actions are forgiven

Stuck in a holiday
Far into the river
Sick of the flower rhymes
Go now and forever
A safe haven for our friends
Go and sit in the corner
Hide in the engine room
There to keep us warmer

Safe haven for our friends
Go and sit in the corner

How do birds find their way?
How do..
..birds..
..birds?
