

Tunng, Stories

Comments of the inner chorus x 3
Tomes, stories, magical words

See it happen, stories happen, stories happen
Illusions and puppies are his rightful property
He can touch them and take them wherever he chooses

Go the demons, demon, demon, demon, demon, demon, demon
Go the demons
Go the demons
Go the demons
All this was a long time I remember
All this was a long time I remember
I remember x 6
