

# Turbonegro, Black Rabbit

I got a reputation -  
I'm such a horny hunk -  
I'm a Turbonegro -  
Just a lowdown punk -

I'm a black rabbit -  
With my black habbits -  
I ain't no jaevla f\*\*king spider -

Well, I don't torture bunnies -  
I do my hop and jump -  
So don't come running winning -  
When your embryo is junk -

I'm a black rabbit -  
With my black habbits -  
I ain't no jaevla faens spider -  
I ain't no jaevla faen -
