

Turbonegro, Deathtime

Shaking hands with Morrissey -
Sucking cock in East Africa -
Ask a lesbian for a f**k -
Take a shower in...Auschwitz -

And it's gonna happen to you -

Complaining about a drug deal at Jolly's pub -
Driving really fast in a car -
Scuba diving in a hippies tub -
Take a shower in...Auschwitz -

And it's gonna happen to you baby -
It could happen to your child -
You could have the same experience -
