

# Turbonegro, Fuck The World(F.T.W.)

No use for kneeling down  
when there's no tomorrow  
I feel it coming on like never ever before  
so let your tanks roll on  
when there's no tomorrow  
coming on so strong  
'cause baby, you know I need some more and more and more

That's what I say, that's what I say and I just said it  
That's what I want, that's what I want I'm gonna get it, get it, get it  
I'm gonna get it, I'm gonna get it good

Hey now, hang on  
while I fuck the world  
give me just a minute  
while I fuck the world

There's a power line  
and I want to taste it  
Tonight I'm feeling fine  
'cause I heard that denim's back in style  
I've been doing time, but I never waste it  
I'm going power blind  
so I can see it for miles and miles and miles

That's what I say, that's what I say and I just said it  
That's what I want, that's what I want I'm gonna get it  
I'm feeling good, I'm feeling great, I can't hide it  
Gonna grab the globe, gonna grab the globe, I'm gonna ride it, ride it, ride it  
I've got razorblade lips  
I'm gonna kiss some wrists

So hey now, hang on  
while I fuck the world  
gimme just a minute  
while I fuck the world  
one more time  
Hey now, hang on  
while I fuck the world  
'Cause tonight I'm feeling sexy  
gonna fuck the world  
Forever
