

# Turbonegro, Just Flesh

Once upon a time  
I thought that i'd go far  
Pictured myself getting blown  
in a company car

But now those days are over  
and the world is dry  
I sit around, getting high  
contemplating suicide

Thousands of people wonder  
what's the matter with me  
when I started wearing daipers  
at the age of twenty three

Those hapless days are over  
and the world is dry  
I'd go for the meat and potatoes  
but I ain't got the time

so

come on baby spank my ass  
(just flesh)  
(just flesh)  
penetrate me with broken glass  
(just flesh)  
(just flesh)  
baby make it hurt, baby make it last  
(just flesh)  
(just flesh)  
it's just flesh  
and nothing else

(solo)

Lets face the facts  
my fate is sealed  
Leather straps tied around my flesh  
I'm down on my hands and knees  
Now face the final cut  
Guess I had to learn  
Aggravation rises up  
Feel my ass it burns

come on baby stroke my face c'mon  
(just flesh)  
(just flesh)  
need some more of this sexual release  
(just flesh)  
(just flesh)  
come on baby spank my ass  
(just flesh)  
(just flesh)  
penetrate me with broken glass  
(just flesh)  
(just flesh)  
baby make me come baby make it last  
(just flesh)  
(just flesh)  
satan laughing spreads his wings  
(just flesh)  
(just flesh)

it's just flesh there's nothing else
