

Turbonegro, Monkey On Your Back

You say the monkey is obscene
You say the monkey is unclean
I've seen the monkey and his deeds
I tell you brother, set him free

You paint it white, I'll paint it black
I'll be the monkey on your back

You claim the monkey made you fall
You claim the monkey shaved your balls
I dig the monkey and his deeds
I turned you brother such a ()

You paint it white, I'll paint it black
I'll be the monkey on your back
