

Turbonegro, Raggare Is A Bunch Of Motherfucke

Raggare is a bunch. Raggare is a bunch bunch bunch
A bunch of motherfuckers. A bunch of motherfuckers
Raggare is a gang of freaks who always beats the Greeks
Going around in their big American cars
Think they are owners of the town, but they aren't
They are nothing. Nothing nothing nothing but animals..
Monkey... Donkey... Kangaroo!
They've got no no no no no no no no IQ
They are nothing nothing nothing nothing but animals,
fucking animals

Raggare is a bunch. Raggare is a bunch bunch bunch
A bunch of motherfuckers. A bunch of motherfuckers
The only thing they do all night,
fight fight fight fight fight flight.
Why why why why why why
why don't someone do something against this?

No one dares... the cops are scared...
