

Turbonegro, Selfdestructo Bust

I ain't no architect
ain't got the intellect
I gotta get away
my time will fade away I'm gonna spend it in the dust
yes it's true
I gotta selfdestructo bust
I ain't no fireman
I lost it in the can
I got a steel machine
I got a mongo's dream
I gotta get away
my time will fade away
I'm gonna spend it in the dust
I gotta selfdestructo bust
Ain't gonna ride that yellow bus
I gotta selfdestructo bust
