

Turbonegro, Train Of Flesh

right through the hurricane
just like a freight train
a freight train of flesh
you wanna ride this freight train

Oh Lord
Oh Lord
All aboard
I need a fucking orgasm
Now
Right now
'Cause I'm a train of flesh

Make way in the fast lane
Make way for the choo-choo train
Coast to coast, nationwide
DNA on naugahyde

Oh Lord
Oh Lord
All aboard
I need a fucking orgasm
Now
Right now
'Cause I'm a train of flesh
